

# San Juan County Utah Weekly Information Report

Coronavirus (COVID-19)  
June 10, 2020

**Stay Safe. Stay Home. Save Lives.**

Join the San Juan Strong Promise - San Juan Public Health and San Juan County Economic Development has rolled out the San Juan Strong Promise in an effort to help businesses navigate business operations during COVID-19. This includes a toolkit of resources including printables for communities, customers and employees, employee education, certificate, and more. To join the promise and view the resources visit: [www.UtahsCanyonCountry.com/SanJuanStrong](http://www.UtahsCanyonCountry.com/SanJuanStrong)

Medical providers are being encouraged to test more people as often as possible. If you are displaying any symptoms e.g. Fever, Cough, Shortness of Breath, Muscle Aches and Pains, Decreased Sense of Smell or Taste, Sore Throat, - Get tested! To find a testing site near you please visit <https://coronavirus.utah.gov/utah-covid-19-testing-locations/>

Be aware of people trying to take advantage of the crisis we are in. There have been reports in other counties of people impersonating local public health departments calling random people and telling them they have been exposed to the virus.

**Public Health: \*\*\*Please see last page of brief for the most recent COVID-19 Case Update for San Juan County\*\*\***

We want to remind all that while Utah has moved to lesser restrictions for the general population, high-risk or vulnerable individuals, including those 65 and older and those of any age who are immunocompromised with chronic conditions like serious heart disease, respiratory issues or even obesity, kidney disease or pregnancy should continue to follow stricter health protocols, even while the rest of the state is following relaxed health orders. We encourage all to make every effort to help protect these individuals and keep them safe.

We continue to expect and prepare for additional cases of COVID-19 in our community. Official data for San Juan County and all of Utah is available at: <https://coronavirus.utah.gov/case-counts/>

Known infected communities are: Blanding, Bluff, Mexican Hat area, Montezuma Creek/Aneth area, Monument Valley/Olajato area, and the Navajo Mountain area. As the number of affected communities in the county change, we will issue updates to address those changes, but we will not be issuing updates on individual cases.

Go to <https://sanjuanpublichealth.org/> to find helpful information on the COVID-19 pandemic.

Here is the link to our [San Juan Strong](https://youtu.be/u7SLSq3EsDY) video. <https://youtu.be/u7SLSq3EsDY>

## **Clinics:**

**UNHS:** UNHS continues its reopening as it works towards full operation and hours. UNHS is vigilant of the Navajo Nation curfew and strives to make sure its patients and personnel can make that curfew.

## **Hospitals:**

**San Juan Health:** San Juan Health's (SJH) Infection Control and Medical Staff will continue to closely monitor the ongoing Coronavirus Disease 2019 (COVID-19) outbreak and implement new protocols as appropriate. We have re-designed our hospital patient flow which includes an isolated COVID-19 wing where suspected and know COVID-19 patients will be treated; this includes negative pressure rooms. The guidelines established by the Utah Department of Health, CDC, and

other various agencies are being followed to protect both our staff as well as our patients. All service lines (Emergency Department, Elective and Emergent Surgeries, Clinical Services, Radiology, Laboratory, etc.) are operational with protective measures established. We ask all patients, where possible, to wear a protective mask for all services. For those that desire, San Juan Health has the ability to conduct telehealth clinical visits when appropriate and face-to-face interaction is sufficient for your healthcare needs

**Blue Mountain Hospital:** Visitors to Blue Mountain Hospital can still enter the parking lot through the northern entrance, as before. Hospital staff is no longer screening individuals outside the main entrance on the north side of the building. Instead, visitors are being screened at the main desk as they enter the hospital through the north entrance. Dialysis patients are screened by Dialysis staff. We are still requiring visitors to wash their hands and wear a mask as they enter the building, and maintain social distancing of six feet from other individuals as much as possible.

Visitors are reminded that the hospital's dining area is still off limits to all but hospital staff. The Bistro is now open for take out orders only. Also, there is a limit of one visitor per patient at a time, including labor/delivery patients. Blue Mountain Hospital appreciates your cooperation and understanding as we navigate through this challenging time.

**EMS:** During this time you will see EMS respond with an increase of respiratory protecting masks or other protective gear to ensure your safety as well as the safety of the EMT's. Please do not be alarmed by this. The EMS department will continue to follow all recommendations of the Utah Department of Health, San Juan County Health Department and the CDC to ensure the safety of the people who rely on our EMS Services. To help follow the guidelines of social distancing we will be cancelling all CPR classes and will not be scheduling classes until we feel it is safe to do so. Please note that if San Juan EMS gets overwhelmed with multiple calls our response times may be slower than normal.

**Law Enforcement:** The San Juan County Sheriff's Office is concerned and working on two fronts in dealing with Covid-19. The first front is the effort to keep jail staff and inmates healthy. This includes our very important dispatchers. The San Juan County Jail has suspended all visitations to the jail; all volunteers have also had their visits to the jail terminated. The jail has a plan to have an area available for quarantine if needed. The county jail has a backup plan to feed the inmates if we lose jail cooks to quarantine. We have tele-health capabilities set up and working so that inmates can see a medical doctor without leaving the facility for initial doctor visits. The corrections officers have access to protective equipment.

The second front is the law enforcement and public safety efforts. The patrol deputies are responding to law enforcement incidents. They have safety equipment if needed. We have currently cancelled trainings, except for the cadets we have in POST academy classes and we have encouraged deputies to follow all safety guidelines.

The lobby of the Public Safety Building is now open to the public. If you have any questions or concerns before visiting the building you can call any of the offices at the following numbers. **Sheriff's Office – 435-587-2237** **SJC Attorney – 435-587-2128** **Justice Court – 435-587-2544** **7<sup>th</sup> District Court 435-587-2122**

The Sheriff's Office is resuming processing fingerprints for the public. All persons seeking to be fingerprinted MUST wear a mask. NO masks will be provided by the Sheriff's Office. You MUST provide your own mask.

**County:** The San Juan County Administration building reopened to the public on Monday June 1, 2020. Members of the public with concerns can still call in and schedule an appointment with the office you need by calling the numbers listed below.

**Assessor's office, Building Department or DMV – 435-587-3221**

**Administration, Aging, Commission, Emergency Management, EMS, Fire, Public Lands, and Personnel – 435-587-3225**

**Clerk's Office and Information Technology – 435-587-3223**

**USU Extension – 435-587-3239**

**Recorder's Office – 435-587-3228**

**Surveyor – 435-587-3234**

**Economic Development / Visitors Services – 435-587-3235**

**Treasurer – 435-587-3237**

-If you need to do Vehicle Registration we still recommend utilizing online capabilities by going to [secure.utah.gov](https://secure.utah.gov) or by mail.

### **Economic Development & Businesses:**

**Regular Updates:** <https://www.utahscanyoncountry.com/covid-19>

San Juan County Business Opening Updates: <http://bit.ly/33tdCKI>

- SBA Economic Injury Disaster Loans are available to small agricultural non-farm businesses until July 6, 2020. These loans may be used to pay fixed debts, payroll, accounts payable and other bills that cannot be paid because of COVID impact. Apply here: <https://covid19relief.sba.gov/>
- The PPP Flexibility Act was passed, we will be working with Congressman's Curtis' office to host a business education webinar regarding what that means, save the date for June 22 at 10AM.

### **Visitor Services**

For travel updates please visit: <https://www.utahscanyoncountry.com/covid19-travel> or call 1-800-574-4386

We encourage all businesses, city offices, community services, visitor centers, and etc to sign up for the San Juan Strong Promise to provide consumer confidence as we work to re-invite visitors into our local economy. To join the promise, please visit: <https://www.utahscanyoncountry.com/sanjuanstrong>

**Blanding:** The Blanding City Office lobby is now open with plexiglass partitions to help limit spread and transmission. We are still encouraging anyone who can to interact with the City online, by email, or by phone. The Wellness Center is open with some restrictions and protective measures in place. The pool and visitors center will open to the public on June 1, 2020 with restrictions. Please listen to and follow the directions given by staff and informational signs. The 4<sup>th</sup> of July celebration will not take place this year. This was not an easy decision, but in consideration of the health and safety of the citizens of San Juan County we felt it the most appropriate decision for this time.

**Bluff:** Bluff remains in the "orange risk" zone which limits group gatherings to 20 people or less. The Bluff Community Center remains closed to public use; this policy will be reviewed at the regular Town Council meeting on June 2, 2020.

**Monticello:** The Monticello City Office staff continues to be available to assist citizens. Residents are encouraged to use the drop box for payments or to enroll in auto bill pay through Xpress Bill Pay or with your financial institution. Office doors remain locked and phone numbers are posted on the door to allow residents to talk to city staff and conduct necessary business. City utilities are fully operational, and we anticipate service delivery continuing uninterrupted. The Welcome Center and Hideout Community Center are closed until further notice. The Hideout Golf Course is open under certain restrictions to assure social distancing and safety. The City continues to follow all guidelines as issued by the CDC and State and County Departments of Health and to monitor our practices to assure we protect the public to the extent possible. The City expresses its sincere appreciation to all health care workers and other officials who are working diligently to assure our health and safety.

**School District:** San Juan School District has been, and will continue to comply with the Governor's Office, Utah State Board of Education (USBE), Center for Disease Control (CDC) and the Utah Department of Health, as we navigate evolving COVID-19 safety precautions.

As always, our priority is the safety of our students and staff. District & School Administration are working continuously to see that the needs of the students are met. Distance learning will continue through the extended dismissal. Food Services will still be providing grab and go meals via pickup locations or delivery (Bus Routes). We will continue to closely monitor all developments and take appropriate action.

**San Juan County Aging Department:** To go meals are still in place for the congregate meal and home delivered meals are still being delivered at this time. If you are a home bound senior and you are in need of groceries please contact your

local senior center for assistance. La Sal 435-686-9990, Monticello 435-2459-2656, Blanding 435-459-3179, Bluff 435-672-2390

**USU Blanding:** USU Blanding has moved all classes online. The Blanding campus and Monticello center are open. However, on campus activity and visits have been limited to current students and employees only. Out of an abundance of caution the Montezuma Creek and Monument Valley centers have been temporarily closed. Those will reopen after the Navajo Nation shelter in place order has been lifted and the USU health and safety department deem them safe to reopen. At this time the university is planning a return to face-to-face classes for the Fall 2020 semester. Applications are being accepted and individuals wishing to pursue their education are encouraged to apply. For more information please visit [blanding.usu.edu](http://blanding.usu.edu).
